Blow the whistle of your very own train!

It will be full steam ahead when you purchase a steam driver experience with us. Treat a loved one, friend or colleague to the chance to drive and fire a real steam engine.

They'll also get to learn about the role of the signal box and be in charge of the line as they pull the signals for the steam engine.

Book yours today for £225.00 on 01787 461174 or visit the website for full details.

Whilst every effort is taken to operate the railway and events as detailed here, we reserve the right to alter anything for any reason without prior notice.
